

Jenkins-Soffe Funeral Homes & Cremation Center
Since 1915 ~ Murray & South Jordan

To Our Community Friends,

We are troubled and deeply saddened by the news and media reports regarding the recent allegations against a South Salt Lake Mortuary service company.

As a family owned and operated funeral service provider, and with over 100 years of dedicated, compassionate service Jenkins-Soffe Funeral Homes & Cremation Center makes the following pledge to each family we have the honor of serving:

- We assure those we serve, those we have served and those in our community with advanced funeral plans with Jenkins-Soffe, that we have no business or personal relationships with Carver Mortuary services.
- We commit to all that the care of a loved one is a sacred trust. At Jenkins-Soffe Funeral Homes & Cremation Center we pledge to be professional, ethical and intended to earn the respect and trust of those who call on us in their families time of need.
- We invite you to visit our funeral homes and tour our onsite cremation center.
- Whenever a family contacts Jenkins-Soffe one of our trained, licensed and qualified staff will answer and respond 24hours a day, 7 days a week. Rest assured your loved one does not leave our professional care.
- We encourage your questions and desire to address possible concerns. We pledge our continued ethical and professional behavior in a manner you can observe, sense and trust. We consistently recognize and honor our responsibility to provide professional, personalized care.
- Our vow is to perform our work duties and services to you with integrity and would expect ALL funeral providers to do the same.

Sincerely,

Kurt L Soffe & V. Blake Soffe – co-owners
Jenkins-Soffe Funeral Homes & Cremation Center
